

From The Principal's Desk

Don Bosco School Kharagpur has made a firm niche for itself as an educational institution of great promise and enviable standards. The merit of the students, the diligence of the teachers and the able support from the management, have ensured quite a meteoric rise for this young institution. I, therefore, consider my new responsibility as the Principal of Don Bosco School Kharagpur as a great privilege and honour.

I would like to take this opportunity to assure you that we, at Don Bosco School Kharagpur, are aware of the great faith entrusted in us by parents to ensure the holistic growth of their wards in an environment that is joyful, caring, safe and stimulating. The success of our initiatives rests as much in your support as in the earnest endeavours of our students and teachers.

I look forward to working in close association with all of you to help the school and the students scale new heights and forge new paths.
